

MONTANA CHEMICAL DEPENDENCY CENTER

POLICIES & PROCEDURES MANUAL

PREFACE

The reader is reminded that the contents of this manual are intended to guide the day to day operations of the facility with the understanding that Montana Chemical Dependency Center is a state facility and the staff are State of Montana, Department of Public Health & Human Services, Addictive & Mental Disorders Division employees. Therefore, policies within this manual are superseded by any applicable: state law, Montana Code Annotated (MCA); Administrative Rules of Montana (ARM); Montana Operations Manual (MOM) policies; any facility bargaining unit contract; or Department and Division mandates, that may be in direct conflict with, or in addition to, policies contained herein.
